

December Newsletter

Dancer of the Month

We are making some exciting changes to the way we select our Dancer of the Month! During the last class of every month, students will be given an opportunity to do a silent vote for their fellow dancers. Dancers will receive votes for their positive attitudes, dance improvements and class participation. The voting for December's Dancer of the Month will take place before winter holidays.

Important Dates

The studio will be closed December 23rd – January 3rd for winter holidays. Our first day back will be Monday January 6th.

Holiday Toonie Draw

We have put together a fabulous gift basket of LTD goodies. We will be selling tickets, for the price of a toonie, through all of December. The winner will be announced on Thursday December 19th. The winner can pick up their prize at the studio on Friday December 20th (Last Day of classes before winter holidays).

Clothing Order Handout

We have placed our last clothing order. We are expecting the orders to be ready to handout by Friday December 20th (Last day of classes before winter holidays).

iDANCE Convention

We had a great time in Vancouver at the 2013 iDANCE Convention! Thank you to all of the students who attended, for representing our studio in such a positive way. It was great to see you thanking the instructors after every class and making friends with your fellow dancers –way to go! Visit our website or Facebook page to see photos and videos of our exciting trip!

Colour your snowman and bring him back to the studio to put on display!
